Our Location

Nestled in the heart of Burleigh Heads, David Fleay Wildlife Park is a heritage-listed wildlife reserve.

While Fleay's is a small sanctuary, it is thriving with unique species of native Australian flora and fauna that creates its own tranquil oasis. The perfect setting for your special day.

The Park does fantastic work protecting native animals, especially the rare and threatened. With a consistent passion for helping sick, injured and orphaned animals.

Less than half an hour from the Gold Coast airport, Fleay's is a spectacular natural venue in a one in a million location.

Fleay's is a unique, rustic haven, perfect for your wedding day. Our experienced Events team will help bring your dream rainforest wedding to life. Your journey starts here.

Fleay's is proudly a no smoking venue.

The Grove

The Grove sits at the base of the Kauri trees, one of the world's mightiest tree species. Their glorious and everlasting presence creates a natural, shaded oasis.

Walk down the amphitheatre steps beneath the open sky to the edge of a beautiful lake. This expanse is serene and open, ideal for larger scale events.

This location is perfect for a twilight ceremony.
